1.4 Term: sixty (60) full calendar months commencing on March 1, 2023 (the "Commencement Date") and expiring on February 28, 2028, unless sooner terminated as provided herein.

1.5 Base Rent: $6,250.00 per month during Lease Months 1 through 36; $6,500.00 per month during Lease Months 37 through 60.

1.6 Tenant's Share of Operating Expenses: 6.2%, estimated at $1,100.00 per month for calendar year 2023, subject to adjustment under Article 9.

1.7 Security Deposit: $12,500.00.

1.8 Permitted Use: retail coffee roasting, cafe, and sale of related goods, and for no other purpose without Landlord's prior written consent.

1.9 Guarantor: Marisol Delgado-Pruitt, pursuant to the Guaranty attached as Exhibit C.

1.10 "Building Systems" means the electrical, plumbing, mechanical, fire and life-safety, and heating, ventilation, and air-conditioning systems serving the Building generally, including rooftop equipment, risers, and distribution lines up to the point of connection to the Premises.

1.11 "Rent" means Base Rent, Tenant's Share of Operating Expenses, and all other sums payable by Tenant under this Lease, whether or not designated as additional rent.

ARTICLE 2. PREMISES AND TERM

2.1 Lease of Premises. Landlord leases the Premises to Tenant, and Tenant leases the Premises from Landlord, for the Term, subject to the terms of this Lease.

2.2 Condition of Premises. Tenant accepts the Premises in their "AS-IS" condition as of the Commencement Date, except that Landlord represents that the heating, ventilation, and air-conditioning unit serving the Premises shall be in good working order on the Commencement Date.

ARTICLE 4. RENT

4.1 Payment of Rent. Tenant shall pay Base Rent and Tenant's Share of Operating Expenses in advance on or before the first (1st) day of each calendar month, without demand, deduction, abatement, or offset, except as expressly provided in this Lease.

4.2 Place of Payment. Rent shall be paid to Landlord at the address stated in Section 1.1 or by electronic transfer to an account designated by Landlord in writing.

4.3 Late Charge. If any installment of Rent is not received within five (5) days after the date due, Tenant shall pay a late charge equal to five percent (5%) of the overdue amount. The parties agree that the late charge represents a fair and reasonable estimate of the costs Landlord will incur by reason of late payment.

4.4 Independent Covenants. Tenant's covenant to pay Rent is independent of every other covenant in this Lease. Tenant shall not withhold, abate, or offset Rent on account of any alleged default by Landlord, Tenant's sole remedies for any such default being an action for damages or injunctive relief.

ARTICLE 7. MAINTENANCE AND REPAIRS

7.1 Landlord's Obligations. Landlord shall maintain in good repair the roof, foundation, exterior walls, structural components of the Building, the common areas, and the Building Systems. Landlord shall not be liable for any failure to make repairs unless Tenant has given Landlord written notice of the need for such repairs and Landlord has failed to commence the repairs within a reasonable time thereafter, not to exceed thirty (30) days.

7.2 Tenant's Obligations. Tenant, at Tenant's sole cost, shall maintain, repair, and replace all portions of the Premises not required to be maintained by Landlord, including interior walls, floor coverings, doors, storefront glass, plumbing fixtures within the Premises, and all heating, ventilation, and air-conditioning equipment exclusively serving the Premises. Tenant shall maintain a quarterly preventive maintenance contract for such HVAC equipment with a licensed contractor and shall furnish a copy to Landlord upon request.

7.3 Alterations. Tenant shall make no alterations, additions, or improvements to the Premises costing more than $5,000.00 without Landlord's prior written consent, which shall not be unreasonably withheld.

7.4 Self-Help. If Landlord fails to perform any repair obligation under Section 7.1 within the time required and such failure materially interferes with Tenant's use of the Premises, Tenant may, after an additional ten (10) days' written notice to Landlord specifying Tenant's intent to perform the repair, perform such repair and invoice Landlord for the reasonable cost thereof, which Landlord shall pay within thirty (30) days after receipt of the invoice and reasonable supporting documentation. Nothing in this Section 7.4 permits Tenant to offset any such cost against Rent.

ARTICLE 9. OPERATING EXPENSES

9.1 Payment. Tenant shall pay Tenant's Share of Operating Expenses monthly based on Landlord's good-faith estimate.

9.2 Annual Reconciliation. Within one hundred twenty (120) days after the end of each calendar year, Landlord shall deliver to Tenant a statement reasonably itemizing actual Operating Expenses for such

year and Tenant's Share thereof. Any overpayment shall be credited against the next installments of Rent, and any underpayment shall be paid by Tenant within thirty (30) days after delivery of the statement.

9.3 Audit Right. Tenant may, within ninety (90) days after receipt of the annual statement, inspect Landlord's books and records relating to Operating Expenses at Landlord's office during normal business hours. Failure to object in writing within such ninety (90) day period shall constitute Tenant's acceptance of the statement.

ARTICLE 15. DEFAULT AND REMEDIES

15.1 Events of Default. Each of the following constitutes an "Event of Default": (a) Tenant fails to pay any Rent when due and such failure continues for ten (10) days after Landlord gives Tenant written notice thereof; (b) Tenant fails to perform any other obligation under this Lease and such failure continues for thirty (30) days after written notice from Landlord; (c) Tenant abandons the Premises; or (d) Tenant becomes insolvent or files a petition in bankruptcy.

15.2 Landlord's Remedies. Upon an Event of Default, Landlord may, in addition to all other rights and remedies available at law or in equity: (a) terminate this Lease by written notice to Tenant; (b) terminate Tenant's right of possession without terminating this Lease and re-enter and take possession of the Premises by any lawful means; (c) change the door locks of the Premises in accordance with Section 93.002 of the Texas Property Code, in which event Landlord shall post a written notice on the front door of the Premises stating the name and address or telephone number of the individual or company from which a new key may be obtained; and (d) recover from Tenant all Rent and other sums due, together with reasonable attorneys' fees and costs.

15.3 Mitigation. Landlord shall use objectively reasonable efforts to relet the Premises as required by Section 91.006 of the Texas Property Code.

15.4 Landlord Default. Landlord shall not be in default under this Lease unless Landlord fails to perform an obligation within thirty (30) days after written notice from Tenant specifying the failure.

ARTICLE 17. NOTICES

17.1 Manner of Notice. All notices, demands, and other communications required or permitted under this Lease shall be in writing and shall be deemed given (a) when delivered personally, (b) one (1) business day after deposit with a nationally recognized overnight courier, or (c) three (3) business days after deposit in the United States mail, certified, return receipt requested, postage prepaid, addressed to the party at the address set forth in Article 1 or such other address as a party may designate by notice.

17.2 Electronic Mail. Communications sent by electronic mail are for convenience only and shall not constitute notice under this Lease unless the receiving party expressly acknowledges receipt in a written reply.

ARTICLE 21. SECURITY DEPOSIT

21.1 Deposit. Tenant has deposited the Security Deposit with Landlord as security for Tenant's performance. Landlord may apply the Security Deposit to cure any Event of Default, in which event Tenant shall restore the Security Deposit within ten (10) days after demand.

21.2 Return. Landlord shall return the unapplied balance of the Security Deposit, together with a written itemization of any deductions, within sixty (60) days after Tenant surrenders the Premises and provides Landlord written notice of Tenant's forwarding address.

ARTICLE 24. MISCELLANEOUS

24.1 Governing Law; Venue. This Lease is governed by the laws of the State of Texas. Venue for any action arising under this Lease shall lie exclusively in the state courts located in Tarrant County, Texas.

24.2 Attorneys' Fees. In any action to enforce this Lease, the prevailing party shall be entitled to recover its reasonable attorneys' fees and costs from the non-prevailing party.

24.3 No Waiver. Landlord's acceptance of Rent after it is due, or Landlord's failure to insist upon strict performance, shall not constitute a waiver of any Event of Default or of Landlord's rights thereafter.

24.4 Entire Agreement. This Lease, including Exhibits A (Premises), B (Rules and Regulations), and C (Guaranty), constitutes the entire agreement between the parties and may be amended only by a writing signed by both parties.

24.5 Time of the Essence. Time is of the essence with respect to every obligation under this Lease.
